Dear Ms. Wolter:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 09-258 and proposed by the Indiana Department of Local Government Finance ("DLGF"). The proposed rule adds 50 IAC 26 to establish standards for computer systems used by Indiana counties for the administration of the property tax assessment, billing, and settlement processes. The proposed rule also repeals 50 IAC 23.

The economic impact statement prepared by the DLGF indicates that the proposed rule will result in no increased costs to small businesses.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or rasberry@iedc.in.gov.
